

WIND AND THE WAVES

Sarah Reeves | Steven Shook | Josh Shook

INTRO

VERSE 1

When i'm up when I'm down
You're steady
When i'm stuck in the clouds
And it's heavy
When my knees hit the ground
You will carry me

You're never shocked
Never scared of my questions
You don't leave me
Alone in the trenches
I am safe in Your arms
In Your presence

CHORUS

If You say be still
Jesus I will
I'm standing with the Prince of Peace
If You tell my soul
Trust and let go
I'll let You calm the storm in me

POST CHORUS

Just like the wind and the waves
I will obey
Just like the wind and the waves
I will obey

VERSE 2

I won't lean on my own understanding
I'll believe in Your word when I can't see
As for me and this house and my family
We will trust You Lord

CHORUS

If You say be still
Jesus I will
I'm standing with the prince of peace
If You tell my soul
Trust and let go
I'll let You calm the storm in me

POST CHORUS

Just like the wind and the waves
I will obey
Just like the wind and the waves
I will obey

INTERLUDE

BRIDGE (x2)

Sometimes I'm scared I'll admit it
But this boat ain't sinking with You in it
It's not the end You're not finished
You're not finished yet
Feels like I'm finally living
You hold the peace I've been missing
Now this gift it just won't stop giving
Keeps on giving and giving and giving

CHORUS

If You say be still
Jesus I will
I'm standing with the Prince of Peace
If You tell my soul
Trust and let go
I'll let You calm the storm in me

CHORUS

If You say be still
Jesus I will
I'm standing with the Prince of Peace
If You tell my soul
Trust and let go
I'll let You calm the storm in me

I will obey
Just like the wind and the waves
I will obey**
